CHANCELLOR COMMANDER'S MESSAGE

The best kept secret in the Order is now a matter of common knowledge. At our March 1st meeting, we had a three-in-one rank which will never be equaled. Two hundred and fifty neophytes joined North Shore Lodge. It was a last-minute frenzy that turned us upside down, but it was worth it. Donald Trump was looking for diversity and he found it. He wrote the check for 250 of his campaign workers to become members of the Knights of Pythias. The evening was fantastic and included speeches by The Donald himself, who had joined Douglaston Lodge in 1990. He had let his membership lapse, but we quickly reinstated him.

Of course, we needed a much larger Castle Hall and luckily we found it. We now meet at Queens College. Parking on the campus is available. Just enter by the gate on Kissena Boulevard, one block south of the L.I.E., and tell the guard you're with the Knights of Pythias (or tell the guard that Groucho sent you). Either way, security should know you're a Knight and will let you drive in.

Fraternally,
PACDGC Robert Banks

THE EDITOR SPEAKS**THE EDITOR SPEAKS**

I was thrilled to be part of the greatest meeting in the history of North Shore Lodge. Watching 250 neophytes become Brothers of our Lodge and listening to Donald Trump speak were magnificent events. In this year of blistering electioneering, his speech was strictly about the Order and serving our country. Liberal or conservative, you had to love him. In fact, the pureness of his motives is exemplified by the absence of media coverage. Brother Donald just wants to help the Knights of Pythias and more particularly North Shore Lodge, which he joined when it was Douglaston Lodge.

Can one man make a difference? We already have seen that it can and it has. Can we continue to reap the benefits of this historic event? Yes, but only if we work hard to keep our newest members interested in the Order.

We will be sponsoring four badminton teams. Please come down to the games to cheer our Brothers on. We will also be holding pie eating contests and, for the women, mud wrestling. Please get your wives, girlfriends and significant others to sign up for what should be a super event. Complimentary showers will be provided at the conclusion of the event. We are a new Order. In order to prosper, we need YOU! BE THERE!!!

TWELFTH ANNUAL NORTH SHORE LODGE PICNIC

On September 11, 2016, we will be holding our 12th Annual North Shore Lodge Picnic. This time, however, we will be serving steak, lobster and shrimp. Yes, now that we have so many new members and a generous sponsor in Donald Trump, we are moving up the culinary ladder. Unlike the procedure for past picnics, you will need a reservation and admission will only be by tickets downloaded from the internet. Just let Itzy know the names of the people who will be attending with you and you will get as many tickets as you need. We will have metal detectors set up around the table site, so it will be the most secure picnic in our history. Although he will be campaigning for President, an appearance by our own Donald Trump is expected. Please mark your calendars, accordingly, and BE THERE!!!

A SPECIAL NIGHT FOR A SPECIAL KNIGHT

The New York Yankees had an essay contest to determine who is the most loyal and supportive Yankee fan. The winner was our own Robert Banks. He will be honored before the game being played on Friday evening, April 14th when the Yankees will be hosting the Seattle Mariners. Robert will receive a plaque, an autographed baseball and four sets of season's tickets. Besides meeting all the players, he will be given a tour of the locker room and the dugout. However, the honor comes with a condition. He must attend every game during the 2016 season wearing a Yankee shirt and Yankee hat. When asked about it, Robert said, "It may cost me my job, but it's definitely worth it." It's that type of Yankee spirit that won Robert the award. Since he will be able to use his extra tickets to invite his bosses and coworkers to the games, he should manage to work things out. Anyway, I implore all of you Brothers to support Robert. Please contact our Entertainment Chairman, order tickets for April 14th, and BE THERE!!!

MARCH MAYHEM

March Madness may dominate college basketball arenas in March, but March Mayhem took over our Castle Hall. As you know, during one of the meeting before Passover, we hold Wine Night at which we distribute a bottle of wine to each paid-up-member. This year is no different. However, because of a miscommunication resulting from Passover coming so late this year, on March 15th, all 250 of our recently initiated Brothers showed up with their hands out. They wanted their wine. Unfortunately, we only had 36 bottles which were being saved for the April 5th meeting. We offered to give out rain checks, but that did not appease our new Brothers. They started tossing chairs and chanting, "Hell no. Banks must go!" Poor Robert had nothing to do with the mix-up. Luckily, he is a 10th degree Black Belt in the martial arts and was able to deftly defend himself. Anyway, the police had to be called and three Brothers ended up in the emergency room. No arrests were made.

Wine will be distributed at the first meeting in April. The Donald will be sending 24 cases of wine.

FREE FOOD FOR THE NUDE

One hundred of our newest Brothers are great believers in the beauty of the human body and the need to feel free and unrestricted by clothing. For that reason we are sponsoring "The First Annual Free Food for the Nude." If you attend the April 19th meeting in the buff, you will get to enjoy a special collation catered by Peter Luger's Steakhouse. The dinner will start at 7:00 P.M. If you plan to attend, please let Arie know in advance, so that he will know how much food to order. For everyone else, the meeting will include our usual collation of coffee and cake and will begin at 7:45 P.M. BE THERE!!!

EQUAL TIME

As soon as word got out that Donald Trump's entourage had joined North Shore Lodge, the Democrats wanted equal time. Before the ink on the membership certificates of the newest North Shore Lodge Brothers had dried, Bernie Sanders' and Bill Clinton's membership applications crossed my desk (I'm Membership Chairman). Of course, we would welcome Bernie and Bill. It would be great if Bill became Chancellor Commander, which would make Hillary our First Lady. They both have the needed experience. Anyway, keep April 10th—that's a Sunday—free. We will be holding a three-in-one rank on the Queens College campus at which the 42nd, and perhaps the 45th, President of the United States will become Pythians and we would love you to BE THERE!!!

IRA S. LUGENER

To My Brothers,

I was at a low point in my life. At the meeting on January 19th, Ronnie Degen made four motions to spend money. I just saw the money slip, sliding away. He pushed through a subsidy for the Third District Dinner on May 16th and two separate subsidies for the Grand Chancellor's Dinner on May 21st. Then he got the Lodge to spend \$125 for an advertisement in the Pythian Humanitarian Fund Journal. Besides that, we had to spend money on rent, cleanup, collation and per capita tax of more than \$1,260. I thought that Iris and I were going to end up in Potters Field. And then, like a breath of spring, Donald Trump walked into our Castle Hall. He and his friends injected money into our Treasury and saved the day. Yes, now the little Lugeners will be able to visit their parents' graves when the time comes.

Some of the Lodge's new ideas sound crazy, but I'm willing. You can bet your last stitch of clothing that I will be attending the Free Food for the Nude Dinner in my birthday suit. I'm already working out, so that I don't embarrass myself. And the \$119.99 subsidy for the \$120 Grand Chancellor's Dinner makes my mouth water and my wallet smile.

So I say, King Robert give up your crown and hand it over to King Donald. He is true royalty.

Fraternally and Sincerely,

Ira S. Lugener

GRAND CHANCELLOR'S DINNER

On May 21, 2016, the Grand Chancellor's Dinner will be held at Temple Avodah. Tickets are \$120 each. The food is fantastic and the evening is guaranteed to be a blast. In order to encourage attendance and make it a wonderful night for the Brothers, North Shore Lodge is subsidizing the event for the Brothers and their wives, girlfriends or significant others. The price is just one cent per person—a savings of \$119.99. That's less than a kid's meal at McDonald's and it's much happier.

The honoree is Grand Chancellor Steven Kohn. When told about our subsidy for his dinner, he was overcome with emotion. To show his gratitude, he will be attending the April 5th meeting and intends to appoint one of our members Deputy Grand Chancellor. BE THERE!!!

THIRD DISTRICT DINNER

On Monday, May 16, 2016, the Third District will hold a testimonial dinner in honor of Deputy Grand Chancellor Lee Cushman at the East Meadow Jewish Center. Unlike past District Dinners, this one will feature major entertainment. Tony Bennett and Lady Gaga have been booked for the event, Ryan Seacrest will be the MC, and music will be by Wynton Marsalis and his band—all compliments of you know who. Naturally, it is imperative that you make your reservation early, because it will be sold out. The price is just \$500 per ticket, but with the Lodge subsidy, it will just cost you \$1.87. Please make your checks out to North Shore Lodge and send them to the Entertainment Chairman ASAP. BE THERE!!!

BINGO NIGHT

On April 19, 2016, once again, North Shore Lodge will be hosting Bingo Night. It's your chance to become a millionaire, but you will have to come down to the meeting to find out how. Prizes include a one-way trip to anywhere in the world (you have to find your way back), a lifetime supply of catfood (which is pretty good considering how many lives cats have), and tickets on the first passenger rocket ship to the moon with waitress service. Anyway, even though you probably won't win any of these prizes, you could end up with \$20 and a good time is guaranteed for all. Bring your parents, your grandparents, your children, your grandchildren and your friends. It should be an intergenerational funfest and you should BE THERE!!!

NOSTALGIA CORNER

In the April 1, 1990 issue of the Knight Light, the following articles appeared.

BUSH BREAKS BREAD WITH BROTHERS

As an unannounced and unpublicized part of his recent swing through New York, President George Bush dropped in on Douglaston Lodge, as he put it, "just to see how one of my favorite fraternal organizations is doing." Fortunately, he chose the evening of March 20th, when we were having a special collation in honor of the Traveling Gavel and the visitation from DGC Joel Fass of East Meadow Lodge, so that we were able to provide him with an interesting evening and serve a super collation.

President Bush revealed that he was a member of the Knights of Columbus, the Kiwanis and the Knights of Pythias. He even remembered the semi-annual password and the password of the rank of Knight. Of course, we honored him with a special seat on the dais and even let him perform the closing ceremonies. He was a little rusty, but performed admirably. While normal security precautions had to be taken, the only Secret Service men to enter the Castle Hall during the meeting were also paid up Knights, although not from the Domain of New York. Bush belongs to a Connecticut Lodge which he joined during his undergraduate days at Yale. In fact, he will be an earned life member in three years.

In a stirring speech the President told us that organizations like the Knights of Pythias (although not necessarily the Knights of Pythias) were the backbone of our country. They preserve our moral fiber and make us what we are today (overweight Democrats?). He said that he hoped to see us again and that he would be making other local stops as part of his program to get to know America.

SPECIAL SUNDAY MEETING

A three-in-one rank will be held on Sunday, April 1, 1990 at the Javits Center in Manhattan. Hopefully, each New York State Lodge will supply one neophyte for the ranks, which will be conducted by President George Bush. As you may have read, he made surprise visits to Douglaston Lodge at the Floral Park Jewish Center, as well as Laurel Lodge in Brooklyn and Pelham Lodge in the Bronx. You must show a paid-up receipt to be admitted and should show up early in order to get in. The starting time is 10:00 A.M.

CHANCELLOR COMMANDER'S MESSAGE

Although I was enjoying my tenure as Chancellor Commander, I must admit that nothing special happened that would make me go down in history, that is, until President Bush came to visit us. No one was more surprised than I when his entourage swept down on us, performed a security check, and ushered in the President. I was grateful that the Traveling Gavel program had attracted a number of Brothers from Douglaston and Great Neck Lodges who do not normally come, so that we had a decent turnout.

Congratulations to Harold Saldinger upon becoming a billionaire and thank you for all that you are doing for the Order.

Finally, I would like to say that I opposed the merger with Maple Leaf Lodge, but, of course, I shall abide by the desires of the majority.

Fraternally,

IRV KUGLER

IT SEEMS TO ME

by Senator Ike Roffman

Now that President Bush has given the Knights a boost and Harold has promised to pay everyone's dues, we can expect an influx of new members. It seems to me that new members would be good for the Order. However, now a new problem arises. Where do we put the new members after they die? We have just so many grave sites in our cemeteries, and when they're gone, there will be no way to replace them. Our bylaws provide that every Brother is entitled to a burial plot for himself and his spouse in the State of New York. Well, we are running out of real estate in the State of New York.

It seems to me that the only solution is one which Paula Abdul thought of in her recent rock 'n roll hit. As your children and grandchildren, if not you, must know, she sang "Straight Up." Well, I believe that we should bury our deceased members and their wives straight up. Using a ruler I figured out that with this method one grave site could accommodate six people. Burying people on top of each other reduces the number of graves needed by only one-half. Burying people straight up is three times more efficient. Please give our Editor your views.

FLORIDA NEWS

"We're coming back," is the cry we are hearing from down south. Yes, since Miami started dipping into the Atlantic Ocean, the exodus back north has been fast and furious. Already, thirty Floridian Brothers and their families have sold their water-sogged real estate and taken the plane, bus and train back to Queens. As a result, prices of cooperatives in Deepdale have soared. Fortunately, the removal of a large segment of the southern Florida population has caused the tip of Florida to reverse its sinking and it has stabilized at just six feet below its normal position.

MERGER WITH TORONTO MAPLE LEAFS

As many of you know, PC Mike Flam makes business trips to the north. Thanks to him a merger was accomplished with Maple Leaf Lodge Number 123 from Toronto. It is the first international merger known to have taken place within the Knights of Pythias. As one Brother put it: "Our sagging attendance left us no choice. We needed new blood, no matter how cold." The biggest problem, of course, will be attending meetings. Thanks to our newest billionaire, Harold Saldinger, this dilemma has been largely eliminated, thus leading to the approval by our Brothers of the merger at our March 6th meeting. The Toronto Lodge had already voted in favor of the merger in February.

Dues will remain the same and the benevolent associations will also merge. You will now have the option of being buried in New York or Canada for the same cost. Sinai Chapels has already made arrangements to open a Toronto office and has set up an affiliation with several Canadian cemeteries. Health benefits also shall not change.

Meetings will be in New York on the first Tuesday of each month and in Toronto on the third Tuesday. Executive board meetings shall be held simultaneously on the fourth Tuesday and a video setup will enable the two groups to meet as one. For reservations on the charter plane, you must contact Danny Deckler at least two days before the meeting. The flight will leave New York each

NOSTALGIA CORNER (CONT.)

first Tuesday at 5:00 P.M. and return at midnight. Dinner will be served on board.

HAROLD BECOMES BILLIONAIRE

Through prudent investing and perhaps just a little luck, PC Harold Saldinger has replaced Malcolm Forbes as the most interesting billionaire in the United States. A great flurry of activity on Wall Street in February turned Harold's modest investment into a huge fortune in just two weeks. When asked just how rich he really is, Harold said: "Let's just say that Trump and Getty are getting nervous." I inquired of Harold as to how this bonanza will affect his life and whether or not it will change him, to which he responded: "Of course not. Just because I'm a billionaire does not mean I'm going to give up my rent stabilized apartment in Flushing. What are you nuts? Why would I want to enjoy my money?"

Harold also agreed that just because he is now richer than the County of Queens does not mean he will forget the little people. He has contributed a substantial sum to the Seven Dwarfs Foundation and the Midgets of America, Inc. In addition, he has paid the dues for every member of Douglaston Lodge for the next three years. As Harold put it: "It's the least I could do, and I always do the least I can do." Harold will also be financing our monthly trips to Toronto.

FLYING HIGH TO ATLANTIC CITY

Keep Sunday April 15th open. After you finish agonizing over your tax returns, join us in Atlantic City to win enough money to pay Uncle Sam or to get a tax deduction from gambling losses for next year. The helicopters will be leaving at 9:00 A.M. from the Willets Point parking field by Shea Stadium. The ride is just 30 minutes and the cost is only \$25 per Brother. These helicopters are the large models and seat fifteen passengers each. So call Danny and make your reservation.

IRA LUGENER SCHOLARSHIP AWARD

At February's executive board meeting a complaint was raised about the Hy Jaye Scholarship Award. One of the Brothers said that it was unfair that the good students get all the awards. He pointed out that whoever wins the Hy Jaye Award will probably win lots of other awards and eventually make lots of money as a doctor, lawyer or Harold's personal valet. What about the poor student who will end up with a low level blue collar job? Shouldn't he be recognized? Shouldn't we help the deserving? Well, a majority of the Brothers agreed with him and a motion setting up the Ira Lugener Scholarship Award was unanimously passed. All recipients must be children of Knights, have less than a 75% average and have no plans of attending college. Just fill in the Hy Jaye application in this month's Bulletin, cross out the name "Hy Jaye" and write in the name "Ira Lugener" in order to be eligible. Winners will be announced at the June open meeting and you must be absent in order to win.

BAN ON DINNERS

In an unprecedented move, the Food and Drug Administration has expanded its jurisdiction beyond keeping certain products off the market to banning us from using some of them in groups. When President Bush

visited us, a few members of the F.D.A. were also present. The next day the Agency released a ban on dinners of more than 1,000 calories. In plain English, they said the Knights were too fat. We can still hold dinners, but the menu must pass the approval of the F.D.A. It is widely believed that this ruling is the work of an envious Knights of Columbus, which is upset by the President's visit to our Order and an apparent snubbing of their organization. The Grand Lodge Law Committee has brought an order to show cause, calling the decision unconstitutional and an opinion from the courts is expected in the near future.

SPECIAL ENTERTAINMENT LURES TRUMP

Donald Trump will become the second billionaire member of Douglaston Lodge. He plans to take part in the three-in-one rank scheduled for April 1st at Javits Center and will become a Douglaston Brother. When asked why he chose the Knights of Pythias and Douglaston Lodge in particular, Donald responded: "I can't say that Harold's presence was not a strong influence, but I also heard about the Special Entertainment you once had and I am hoping that you will bring it back. After a hard day of making money, I need a little light entertainment to get me through the night." When Harold learned about our newest neophyte, he said: "I welcome Don as a Brother, but I'll still be the richest Douglaston Knight."

A WARNING FROM THE DISTAFF SIDE

"Hi, we have traveled throughout the world, and we don't think the Knights of Pythias is fair. Why don't you let women in? Sure, I know that you have the Pythian Sisters. But who wants to go out with her sister? We want to be with the men. We always wanted a brother to introduce us to all his friends. So we're showing up at the April 1st special meeting and we're going to protest. And we suggest that you don't take us lightly, because we each have a trump card to play. All we want is to join the Knights. Besides, then you won't need special entertainment."

Sisterly yours,

Ivana & Marla

THE EDITOR SPEAKS

Congratulations to CC Irv Kugler on all the great happenings that are taking place during his year in office. The surprise visit of President Bush was perhaps the greatest event in Douglaston's more than 35 years of existence. Not since Abraham Lincoln helped found the Knights of Pythias has the leader of our country taken an active role in the Order. At that rate, it will be 2116 before another president gives us a shot in the arm.

* * *

It is great to see that PC Harold Saldinger is not letting all his new earned wealth go to his head. He still attends meetings and is just one of the guys, even if his chauffeur drives him in a different Rolls Royce each time. Personally, I like the pink one the best.
