As a teacher, for me each September represents a new beginning. Summer has ended and now we start fresh and new, always with high expectations for the coming school year. I feel the same way in my role as Chancellor Commander of North Shore Lodge. Just like the start of school, September is going to mark the beginning of a very eventful year for the Lodge. We are going to begin our first meeting on September 4 at 8:00 PM. And hopefully, at the end of that meeting, it will be our first poker game of the season. We welcome everyone to play a friendly game in which the stakes are low, but our friendship and camaraderie are high.

The following Sunday, September 9th, is our yearly picnic. When you come to Cunningham Park, just bring a chair and your appetite. Don't just bring yourself, but your spouse, kids, grandchildren, friends, anyone. Though I am writing this with the sound of thunder outside my window, something tells me that the second Sunday in September is going to be sunny and warm. Whenever our lodge has a picnic, nature accommodates us. But the main event this year is our honoring of Irv Kleiman on November 11th. Irv is not being honored just because of his many years of service to the Lodge and Grand Lodge, but because he is the true embodiment of a Knight. When I first came to the Lodge, he came over to me and really made me feel completely welcome. But more than this, he is someone who goes the extra mile when it comes to giving. Many people talk the talk, but he is the one who walks the walk—or in his case runs the run. It is my hope that all our members will join us on that day at the New Hyde Park Inn to thank Irv for all he has done.

Continued on page 7

THE Mo ST IMPo RTAn T Ev En T o f THE YEAR

Since every man who attains the honor of Past Grand Chancellor gets a dinner, whether he deserves it or not, you might say: "what's the big deal about Irv's dinner?" The answer is: "He earned it."

Even if Irv had not held the second toughest position in Grand Lodge for the past 5 years, and had not done a lot of work for the 52nd District and the 10th and 14th Districts before

that, Irv would deserve a dinner. For at a time in life when many men spend their days sitting in a rocking chair on the porch, Irv is still working hard for North Shore Lodge, where he continues to hold the second toughest job—secretary.

If you want to do the right thing, if you want to honor a dedicated man, if you

want to make the dinner a success for Brother Irv, then YOU MUST BE THERE!

The Lodge has made it very easy for you. This fantastic dinner dance is being sold at a loss for \$75 per person. However, paid-up Brothers of North Shore Lodge will only have to pay \$50 each for themselves and their significant others; and unlike a wedding or a bar mitzvah, you don't have to spring for a present.

The testimonial dinner is being held on Sunday, November 11, 2012, from 1:00 P.M. until 5:00 P.M. at the conveniently located New Hyde Park Inn. The speeches will be few, the food will be great, the dancing will be fun, and the camaraderie will be fantastic, but only if you join us.

Please make your checks out to "North Shore Lodge" and bring them to a meeting or send them to Tony Rivers, 90 Madison Avenue, Garden City Park, New York 11040.

PLEASE, BE THERE!!!

f R o M THE SECRETARY'S d ESK

When I sit at my desk and begin to compose this column, I think about what to write. That's when I get stuck. Then something hits me.

Did you know that this lodge started 58 years ago? A lot of things have happened over the years and a lot of things did not happen. One of the things that did not occur was the purchasing a building for our Castle Hall, as proposed by the late PDGC LM Jere Lifson. We started a building fund and even had a building in mind. What did happen is that we absorbed three other lodges. Over the years we dropped, in round figures, from over 800 to about 300 men. We should do something about that. At our next lodge convention on September 4th, I intend to bring up the subject of a celebration for our 60th anniversary.

The most recent event involving North Shore Lodge is the appointment of Robert Banks as an Assistant to the Chief Deputy Grand Chancellor for GC Craig Shink. Robert also was appointed Chairman of the Finance Committee. It looks like Robert has two kunahurras coming to him. At the Convention I became a Past Grand Chancellor; commonly known as a PGC. I stepped down as Grand Secretary and gave Brother Marc Bochner the chance to serve.

Our first planned event is the picnic on the 9th of September in Cunningham Park. I'm not going to elaborate on this as I am sure it will be discussed in this issue by others.

My brothers, I urge all of you who are still in New York and can make it to get to the first meeting of the Pythian Year. It should be interesting. We will be discussing the proposed budget and the schedule of meeting nights that will include open meetings and special activities, such as the dinner for your secretary, PGC Irving Kleiman

Fraternally,

Irving Kleiman, Secretary

KE n n ETH I. AAR o n So n

I was visiting my brother-in-law and his family in Gloversville, New York. I had hoped that I could find some work there. It is a depressed area and has been for years, so I thought that I might be able to open up a catering business where there would be no competition. As they say in Canarsie, "Fergetaboutit".

I was disappointed when I read about the dinner honoring our secretary, Irving Kleiman on November 11th. Surely someone should know about me having a need for more work. Simon's business is slow and it would have been a feather in my cap if I could have gotten the affair for my boss. I would benefit in two ways. I would get paid for working at the dinner and I would get to go to it and be with my lodge brothers without having to pay.

Jerry tells me there is a subsidy for paid up Brothers for the dinner, so I think that I better pay my dues and get in good standing.

Now, boys, if there are any social functions coming up, please let me know.

Fraternally,

Kenneth I. Aaronson

EI g HTH An n uAL PICn IC

We are delighted to announce that we are going for our eighth straight successful picnic on the first Sunday after Labor Day. The usual hard workers and contributors have done their jobs well and we are set. Now, we just need Mother Nature to bless us with good weather.

Please join us on Sunday, September 9, 2012, at 11:00 A.M. for a wonderful time. Bring your family and friends and some chairs. We will bring the hamburgers, hot dogs, potato salad, cole slaw, trimmings, drinks and dessert. It sounds like a great deal, because it is one.

We will be picnicking in Cunningham Park, on the same site that we used the last two years, at 193rd Street off Union Turnpike. Just take Francis Lewis Boulevard south and go right at the first entrance south of Union Turnpike. Continue to the end and you will BE THERE!!!

f R o M ASSISTAn T To ASSISTAn T

I am not well-versed in the history of all four lodges which now make up North Shore Lodge. They are, of course, Douglaston Lodge, Great Neck Lodge, Glen Oaks Lodge and Greater Queens Lodge. I do know that Great Neck Lodge produced at least two Assistant Deputy Chief Grand Chancellors in Sy Barmash and Paul Schack. Douglaston Lodge had two Assistants to the Chief. The last one was Danny Deckler. Now, Robert Banks, who first joined the Knights as a member of Douglaston Lodge, has assumed that role and will be the third and probably the last Douglaston Lodge Brother to hold that title. Let's hope that some of our younger North Shore Lodge Brothers follow suit.

Danny was Douglaston Lodge. When he passed away, some of us wondered how the Lodge would survive without him. Thanks to people like Robert, we are still here, though we are not as vibrant as we once were. Being part of a group that includes Danny is a great honor in itself. Unlike Robert, Danny did not plan on seeking Grand Lodge Office. He had gone as high as he had planned to go. Perhaps, if he had remained healthy, he would have been a Chief Deputy Grand Chancellor. Who knows? The important thing is that he served the Order so well with or without titles. One day someone else may be writing a column about the first Assistant Deputy Chief Grand Chancellor from North Shore Lodge and will talk about Robert. When that happens, I am sure that they will speak glowingly about our first Assistant. So I ask Robert to remember the history of the Lodge and the great men like Danny who kept us going, to follow in their footsteps, and to realize that you, too, are blazing a path for others to follow. And so, the baton gets passed along.

In the May/June 1997 issue of the Knight Light, Irv Kleiman wrote the Chancellor Commander's Message and in the September 1999 issue, outgoing Chancellor Commander Jesse Levine wrote the second article reproduced below.

CHANCELLOR COMMANDER'S MESSAGE

A milestone has come and gone. We planned for the event for so long and now it is history. Of course, I am referring to the homecoming of ACDGC Danny Deckler. The turnout from Douglaston, Great Neck and all the other lodges in and out of the 14th District was tremendous. Members of the Grand Council and Supreme Lodge also graced our Castle Hall in honor of Danny. It seems odd to say, but even the speeches were enjoyable, and the decorum was superb. It is a night that I will remember for a long, long time and a night I'm sure Danny will remember forever.

On April 15th Douglaston Lodge and Great Neck Lodges voted to become one. Now is the time to look for new neophytes to become Charter Members of Douglaston Great Neck Lodge # 824. You may have noticed that in my previous messages, I have not stressed membership. Perhaps I should have, but to quote a fellow Pythian, "it seems to me" that if you enjoyed the meetings, functions and special events of our Lodge, you would be anxious to bring your friends into the Pythian fold.

When I became a Pythian in 1950, I became fairly active and even more so when Douglaston Lodge was formed. For a while in the '80s due to business, I could not be as active as I wished to be. Now, for the last few years with less business pressures, I am again very active and am enjoying the Lodge more than ever. I am just one example. Ask some of the other active Brothers and see if you don't get the same unanimous response.

I hope to see as many Brothers as possible at first nominations and memorial ceremonies on May 6th and on the Second Annual Bird Walk on May 11th at Jamaica Bay. Fraternally,

PC IRV KLEIMAN

A MESSAGE TO MY BROTHERS

Let me begin by saying that my term as Vice Chancellor ended a year ago with the passing of Senator Ike Roffman. My year as Chancellor Commander just ended with the passing of PACDGC Danny Deckler. This has been a most traumatic occurrence for our Lodge and for me.

Two gentle giants gone. Ike, tall and slender, gentle in manner. I never heard him raise his voice, always quiet. A true gentle giant. Danny, short and slightly rotund, had a gentle sense of humor, could just as easily laugh at himself as along with others. Yes, he had a big voice and could project all over a room to make a point, yet I never heard him raise it in anger. Like Ike, he would rather concede than argue needlessly. Yes, a true gentle giant.

We, who knew and served with them, were truly blessed. Now I leave as Chancellor Commander. Don't rejoice too soon, as I am returning as your Vice Chancellor. How lucky can one Lodge get?

I am very aware of how I messed up with my raps as Chancellor Commander. I often gave you two raps, when it should have been three. In my former life, I was a rapper. Rapping was my thing. However, in my current life, it seems that I didn't give a rap. Always that reminder, "One more rap."

Well, my Brothers, I do care:

I can rap with the best of you guys,
Never miss a rap, in or outside,
Just step on back, watch me go,
Spin and flip, music will flow,
Don't hold me down, let me roam,
When temperature rises, just don't foam,
For I am your rapper knight.

PDGC Louis Stern is your new Chancellor Commander. A better choice could not have been made. He is a good man. I thank you my Brothers for allowing me to serve you and for all your support. Please give the same to Lou Stern. You won't regret it. Perhaps we can make a rapper out of him. Fraternally,

PC JESSE LEVINE

To My Brothers of North Shore Lodge:

As we begin this new year, I would like to extend to all of my brothers of North Shore Lodge my best wishes for a great year for our lodge which will feature only additions and no subtractions. In this message, I hope to bring new and exciting information to all of my brothers. To begin with, I will start with membership, the most crucial issue which confronts us all. In Grand Chancellor Craig Shink's Message, there is a great incentive program for brothers who bring in new members. Grand Lodge will pay next year's lodge dues of any brother who brings in 3 new members with a maximum of three-years dues for anyone who brings in nine new brothers. Just think, if you bring in just 3 new members, you will not have to pay any lodge dues next year. What a windfall for you and what an incredible boost to our lodge's membership it would be. And if we all do this together, we can really help our lodge to grow back to the good old days where our meeting halls couldn't handle the number of brothers attending our meetings. This is a great incentive program which each of us should look to take advantage of.

In conjunction with the Grand Lodge Membership program, the Grand Lodge Sports Committee, of which I am also a member, has come up with a great way for us to get together for a good time as well as something which we can use as a membership tool for our own lodge. We are starting a Pythian bowling league at the Baldwin Lanes in Baldwin, on Long Island. We will be bowling on the 4th Saturday evening of each month, beginning in September and running through June, that's just one evening for each of the next ten months at a cost of \$20, which will include among other things 3 games. This is open to all, including spouses. In fact, we must have at least one woman on each team, so let us all do this together. It gives us a great opportunity to get together with our own lodge brothers and sisters as well as brothers and sisters from other lodges. This is also a great tool for bringing in new members to the lodge and a chance to take advantage of the Grand Lodge membership incentive. Another plus is that it also is good exercise.

Let us all, each and every brother, work together to bring our lodge all the way back, and show this Order what a great lodge we belong to and what we can do when we put our best foot forward. See you in September.

There will be other upcoming events during the year which I will bring to your attention as the year progresses. To those of you celebrating this month, I would like to finish by wishing you and your families a very happy New Year and holiday season. Fraternally,

Robert Banks ACDGC and Chairman of Grand Lodge Finance Committee, as well as a candidate for Grand Treasurer at next year's convention.

Pillow

She rested his head upon her breast,
to serve as a pillow, helping him rest.
Home from the wars, with sweat and grime,
hero to her, angel, sublime
Left his base, mission unclear
Does he go far, or does he stay near?
Objective in sight, swings in view,
leaps upon one, soon high over you,
Stayed awhile, battled the rest,
beat them all, victory was best.
Left the field, found a game.
Baseball it was, that's the name,
Played nine innings, never in doubt,
let them leave, after last out
Soccer was next, ran like a deer,
kicked the ball, no one near.
Scored four goals, never in doubt,
of who was best, others out.
Played all day till time to stop,
completely tired or else would drop.
Went on home, Mom kissed his cheek
let him rest, then off to seek
dinner and such, rethink the fray,
prepare for tomorrow, another day,
of battle,

IRA S. LugEnER

To My Brothers,

What is a synonym for fiasco? I'll tell you. It's the Budget/Planning Meeting of North Shore Lodge, which took place on August 14, 2012! You would agree, if you had been there. The excessive expenses are expected to exceed the income by a whopping amount. (When is the last time you saw a sentence with four words in it beginning "ex?"). I tried to be heard, to talk some reason into the heads of these spending fools. It was all to no avail. So we move on as the checkbook balance keeps shrinking.

Have no fear. Ira is always thinking. We have three choices. We could spend less (I already lost on that one.). We could raise dues (It would probably drive some Brothers away and would literally be a drop in the bucket.). We could raise money.

I am selling pictures of the Lugener family. For just \$25, you, too, can have an autographed picture of Ira, Iris and our children. I will generously donate \$5 from each purchase to the Lodge. Oh, I am so smart. For more information, check me out on Facebook or tweet me on Twitter.

Finally, I look forward to not seeing you at the Annual Picnic on September 9th. If you don't show up, the extra leftovers should last me at least a week.

Fraternally and Sincerely,

Ira S. Lugener

WE WouLd LIKE To TAKE YouR MonEY!!!

We play cards after each meeting and we would love to have you join us, so that we can take your money. Unfortunately for us, we're not that good at poker and the stakes are low. Therefore, if you want to try to take our money or just want to have some inexpensive fun, please come down to our meetings and play a little cards. You might even win a few bucks. BE THERE!!!

o nE o f THE Ed ITo RS SPEAKS

In preparing each edition of the Knight Light, I go through old issues to find articles for "Nostalgia Corner." It is a euphoric and depressing experience at the same time. Reading about the fantastic history of our Lodge, the many exciting activities and charitable events which we enjoyed, and the Brothers who made Douglaston Lodge great is quite moving. But the reminder of too many funerals, too many tears, too many Brothers who have gone to the Castle Hall in the sky also is so sad. Most of all, however, the memories make me feel so glad that I am a Pythian. I would have missed so much in life, had I not joined our Lodge. I would never have shared those wonderful times with Danny, Jere, Ike R., Hal, Izzy F, Ike M, Sol, Joe, Ed, Monte, Leo S., Max, Barney, Jesse, Paul, Sidney L., Jerry, Al, Jack, Sidney A., Herman, Frank M, Leo M., Izzy W. and so many others. If you need a last name for these Brothers, then you have not made the most out of being a Pythian.

Each month I buy a monthly ticket for the Long Island Railroad. If I take days off, I feel as if I am not getting my money's worth. Naturally, the more trips I take, the less money I am paying per trip. So it is with my dues for the Lodge. I rarely miss a meeting, so each meeting costs me much less than it does for stay-at-home Brothers or those of you who rarely come to conventions.

I am not suggesting that you come to meetings to make your dues worthwhile. Actually, one good way for the Lodge to save money is to collect your dues and never have to spend money on you. No, I am just pointing out that for me, North Shore Lodge has turned out to be a great bargain and more. Most of us need family and friends to survive. When your friends are like family, then you are really sitting on top of the world. I'm looking down and the view is great. Won't you join me?

BE THERE!!!

Robert Banks, Irv and Anita Kleiman and Ron and Arleen Degen attended the Grand Lodge Convention in July at the Villa Roma. It was a good Convention. Two contested elections were held. The victors are our new Grand Secretary Marc Bochner and Grand Outer Guard Phil Feigel. Irv was honored for having become a Past Grand Chancellor and received a certificate, a Past Grand Chancellor's jewel, and a card. As usual, the candidates held afternoon parties, we had midnight ice cream parties, and a good time was had by all.

BAnKS do ES IT ALL!!!

Robert likes to take on 2 or 3 jobs at a time. Two years ago, he served as Deputy Grand Chancellor, President of the Long Island Pythian Council, and President of the 52nd District. Now, the Grand Chancellor has appointed Robert to two important positions. He is the Assistant to the Chief Deputy Grand Chancellor for Queens and Long Island and he is Chairman of the Grand Lodge Finance Committee. Congratulations and thank you, Robert, for all that you do for the Order.

BEWARE o f TAx SCAMS

When someone is honored by the Knights, it makes me think about why this fraternal organization was even chartered. The Knights of Pythias was chartered as an organization in which people, regardless of background, would come together for a common purpose—friendship, charity and benevolence. We were chartered during a great Civil War which divided our nation. The Knights bring people together to achieve our goals. I like to think that great things can happen when we individually and in small groups give others a helping hand. Greatness is not what one does, but what one gives to others. This is the core of the philosophy of a Knight.

I would like everyone to join me for an exciting year that will go way beyond honoring Irv or having a picnic. We will be having a chicken dinner and Holiday Party. We will gather to hear the Grand Chancellor's Message, as well as to celebrate the homecoming of Assistant to the Chief Deputy Grand Chancellor Robert Banks. Spring will bring a Wine Night and a Unique Game Night. In addition, the lodge is looking into supporting a little league team this year and as a father of two boys who spent years playing baseball, I know the excitement of watching kids learn new skills and good sportsmanship. When our members go to games, it will make many people in the community aware of who we are and what we do.

Most important, I would like you to come down and be part of the action. If you have not been to a meeting in some time, please help us to enjoy an evening. We have approximately 300 members. If you are one of them who live nearby and join us, I promise you two interesting Tuesdays each month. When you come to meetings, you will make new friends and renew old friendships. I look forward to seeing you this year.

Fraternally,
PC Arthur Getzel

The IRS wants taxpayers to be aware of tax scams. These scams are illegal and can lead to problems for taxpayers including significant penalties, interest and possible criminal prosecution. The schemes take several shapes, ranging from promises of large tax refunds to illegal ways of "untaxing" yourself. Beware of these common schemes:

1. **Return Preparer fraud.** Dishonest tax return preparers can cause many headaches for taxpayers who fall victim to their ploys. Such preparers derive financial gain by skimming a portion of the clients' refunds and charging inflated fees for return preparation services. They attract new clients by promising large refunds. Choose carefully when hiring a tax preparer. No matter who prepares your return you are ultimately responsible for its accuracy and for any tax bill that may arise due to a questionable claim.

2. **Identity Theft.** It pays to be choosy when it comes to disclosing personal information. Identity thieves have used stolen personal data to access financial accounts, run up charges on credit cards and apply for new loans. The IRS is aware of several identity theft schemes involving taxes or scammers posing as the IRS itself. The IRS does not use e-mail to contact taxpayers about issues related to their accounts. If you have any doubt whether a contact from the IRS is authentic, call 800-829-1040 to confirm it.

3. **frivolous Arguments.** Promoters have been known to make outlandish claims such as the Sixteenth Amendment concerning congressional power to establish and collect income taxes was never ratified; that wages are not income; that filing a return and paying taxes are merely voluntary; and that being required to file Form 1040 violates the Fifth Amendment right against self-incrimination. Don't believe these or similar claims. Such arguments are false and have been thrown out of court. Taxpayers have the right to contest their tax liabilities in court, but no one has the right to disobey the law.

PC Barry Lisak

and the sweet memories they leave behind.*

*May their souls be bound up in the Bond of Eternal Life
and may their families know no more sorrow.
Amen*
